What's a hit-a-thon?

A hit-a-thon is a little leaguer hitting contest. 3 pitches will be delivered to each contestant (machine pitch for AA-under). All 3 fields will be set-up by age divisions and zones will be marked with distance values. The farther the player's hit ball travels in the air, the more points the player is awarded. The furthest hit ball of the 3 pitches determines the overall score for that player. The player with the highest point total for the division wins 1st prize. Team points will be accumulated for every participant on the team, regardless of how many sponsorships were raised by the players.

Here's how it works:

The goal for each player is to raise \$100.00 in sponsorships.

For example:

- 1 sponsor @ \$100 each
- 5 sponsors @ \$20 each
- 10 sponsors @ \$10 each
- 20 sponsors @ \$5 each

What the CSLL player needs to do:

- Receive a Hit-A-Thon Sponsor Form from your Team Manager
- Start getting your sponsors & fill them in on the form - Collect your money and turn it in by the due date

All sponsorship forms and money are due to Team Parents by

Saturday, March 14, 2009.

Tax Deductible Donation.
Receipt available upon request.
